

Newington Community Primary School

Sports Premium Report 2019-20

This academic year the Government will continue to fund Sports Premium to support schools with additional and sustainable improvements to the provision of Physical Education and Sport. The funding gives schools more opportunity to be able to encourage and develop pupils understanding of healthy and active lifestyles. Therefore the school can decide where the funding will be spent to be the most beneficial and effective in terms of meeting this requirement.

Each school will receive £10,000 plus an additional £10 per pupil to support the provision of Physical Education and to develop the following areas:

- allowing schools to increase the skills of their staff, by providing high quality professional development opportunities
- enabling children to participate in extra-curricular sport which will lead into local clubs and extended services
- providing a wealth of opportunities for our children resulting in a lifelong love of sport.

At Newington Community Primary School we believe that participation within physical activities is essential to support the development of a well rounded child. As a result we have used and will continue to use the Sports Premium funding to encourage, develop and enthuse children to achieve in sport and fulfil their potential.

Our aim at Newington Community Primary School is for all pupils to be physically literate and have the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport.

To achieve this there is a strong focus on building confidence for pupils within PE to nurture engagement and passion for the subject. Encouraging this fundamental area develops pupil's leadership and social skills. Therefore leading to self-disciplined, confident and determined children in all areas of life. Our fully inclusive programme ensures that our pupils have a diverse choice of opportunities to engage and challenge them. As well as offering an extensive range of inter school competition through our affiliation with the local sports programme PASSPORT (Primary Association of School Sport in Thanet).

To sustain this approach we aim to improve the quality of PE and sport in primary school against 5 key indicators:

1. The engagement of all pupils in regular physical activity.
2. The profile of PE and sport being raised across the school as a tool for whole school improvement.
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport.
4. Broader experience of a range of sports and activities offered to all pupils.
5. Increased participation in competitive sport.

Newington Community Primary School

Sports Premium Report 2019-20

Total Fund Allocated : £21,479

| Key Indicator 1 | Activities | Cost | Impact | Evaluation |
|--|---|------------|--|--|
| The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school children undertake at least 30 minutes of physical activity a day in school | <ul style="list-style-type: none">Swimming Lesson for Year 2 to Year 6Daily MilePE LessonsAfter school clubsActive Playtime | £10,032.61 | <p>Every Child across Year 2-6 is able to access swimming through their swimming lesson fully funded and provided by the school.</p> <p>There has been a significant improvement in the attendance of sporting extra-curricular activities through the engagement of pupils during lesson time. Identifying pupils and inviting them along to clubs that they will enjoy and thrive at has given pupils a sense of belonging.</p> <p>Additional sporting activities have been provided during lunch time to encourage active play which in turn has increased opportunities to participate in physical activity outside of structured lessons.</p> | Swimming will continue to be provided free of charge to ensure all pupils have access to achieve the curriculum outcomes by year 6. There will be continuous developments to activities in lesson and as part of the extra-curricular provision to ensure pupils have a varied choice to increase participation. |

| Key Indicator 2 | Actions taken | Cost | Impact | Evaluation |
|--|---|--------|---|--|
| The profile of PE and sport being raised across the school as a tool for whole school improvement. | <ul style="list-style-type: none">Breakfast Maths ClubIntra House competitions | £1,365 | <p>The introduction of an Active Maths Breakfast club taken part every morning with a small group of identified children who require intervention has had an impact on all the pupils involved. 90% achieved 6 steps of progress with only 10% achieving 4 steps of progress.</p> <p>Every child in the school participates in Intra house competitions that encourage teamwork and developing social skills as well as having an opportunity to be competitive. This year the house system was used as part of another subject during our STEAM week. The Maths co-ordinators used the process to form their competition allowing pupils to engage in the house system but from another area of the school's curriculum.</p> | <p>The success of this club has confirmed that it is beneficial and will continue in the next academic year with other selected pupils who will benefit from learning maths in a different setting.</p> <p>To continue to develop the house system across the school there will be other organised opportunities across a range of subjects.</p> |

Sports Premium Report 2019-20

| Key Indicator 3 | Actions taken | Cost | Impact | Evaluation |
|---|---|----------------------|--|--|
| Increased confidence, knowledge and skills of all staff in teaching PE and sport. | <ul style="list-style-type: none"> Equipment Qualified Sports Coaches CPD for staff involved in PE and new staff | £606.07 £8,188.04 | Organised CPD for staff to continue and encourage confidence, knowledge and skills with in teaching PE. This will be the foundation for encouraging sustainable teaching of PE and creating structured lessons and teaching progression in skills and developing pupils understanding. | The CPD provided for members of staff was informative and supports all staff involved in PE to ensure that they felt confident when teaching and supporting PE. This ensures that there can be a variety of activities taking place during lesson times and in extracurricular clubs. Sports coaches will continue to be employed to ensure pupils can access a variety of sports from knowledgeable and experience members of staff. |

| Key Indicator 4 | Actions taken | Cost | Impact | Evaluation |
|---|--|---------|--|--|
| Broader experience of a range of sports and activities offered to all pupils. | <ul style="list-style-type: none"> PE Lesson provision Extra-Curricular activities Sports Trips Ice hockey Roller Derby | £198.28 | Pupils experience 14 different subject areas with PE through the school year within Years 1-6 from our PE specialist and sports coaches. There is also an extensive range of interschool competitions throughout the year and extra-curricular clubs available. This year 60 pupils across the school had the opportunity to experience spectating new and exciting sports that are available locally with the purpose to engage participation and to broaden their understanding and experience of all sports. | Pupils experience of PE has been varied and accessible for all, ensuring that all pupils enjoy and progress effectively. The opportunity to attend sporting fixtures outside of school broaden their knowledge and experience of sport from a spectator's view and will continue to develop into the coming years. |

| Key Indicator 5 | Actions taken | Cost | Impact | Evaluation |
|---|--|---------------------|--|--|
| Increased participation in competitive sport. | PASSPORT Affiliation Cross Country Entries Swimming Gala Entries | £600 £444 £45 | An increase in entering inter school competition has allowed pupils to have more access to competitive sport. Covering the cost of entries for Cross country has ensured that it is accessible for all and has allowed for increasing numbers as the year has progressed. | Participation in local competition is vital in building passion as well as skill. PASSPORT affiliation ensures we have access to a wide variety of sporting competitions across Thanet and the possibility to represent the county in Kent School Games through winning qualifying rounds. |

Newington Community Primary School Sports Premium Report 2019-20

Swimming overview

Meeting national requirements for swimming and water safety

Overall results for meeting National Curriculum requirements in Year 6

This academic year 61% of pupils in Year 6 were able to swim 25m and above in a range of strokes and were able to perform self-rescue techniques in different water based activities.

In 2017/18 there were 47% of pupils achieving the national curriculum requirement by the end of year 6 and therefore this has demonstrated a rise of 13% on previous results. The impact of consistent lessons provided by the school is supporting pupils to progress and achieve more in a subject area that many would not be able to access.
